"Mistakes are great."

I didn't know that until I met Helene!

### *Tetsuko's comment:*

The first time I met Helene, I felt like I had known her for a long time. She made me feel like I was one of her family members or one of her favorite students. I have learned how important it is to make my students feel the same way.

### *Helene's comment;*

When we first met Tetsuko at our TEMI Seminar in Osaka, we were so moved by her enthusiasm, diligence and passion for teaching that Sohei and I decided to visit her school on our next trip to Osaka. Upon meeting her students, we clearly recognized that they were her mirror; in their eyes we could sense their respect for her and their passion for English. If you look at the lead picture of the video on Little America's Book Store website, you can see for yourself the enthusiasm of her students in their smiles.
