

Leslie Nielsen(American)

Motto: "Let's have fun together learning English!"

On a clear day, Leslie can see Mt. Fuji from her school room. The Blue School caters to preschoolers all the way up to adults. She treats every student with compassion, which is why they stay with her many years. Leslie is also our talented, bilingual Little America English Teacher Support Group Administrator. She takes care of us in the same way she takes care of her students: tenderly.

Helene's comment: Leslie won me over at our first TEMI Seminar with her sincerity and passion for teaching. She wants the best for her students. She is perfectly bilingual, so she can connect with them on two levels. Lucky students!

Leslie's comment: My first TEMI experience was a 2-day seminar in 2015 at a time when I had been teaching children for only a short while. I was feeling a little overwhelmed as I don't have children myself and didn't really know what I was doing with a group of five 3-year-olds. Thanks to Helene's passion for teaching English, her far-reaching expertise, and the loving care she gives to everyone around her, I was able to face my littlest students with greater confidence. I continue to be grateful for all the support TEMI provides with material, seminars, advice, and the Little America Facebook group. Being acknowledged by Helene and the TEMI team is a true honor, and I will always treasure it. *Thank you.*
